

AVT

APPLIED VIDEO TECHNOLOGY

Applied Video Technology (AVT) has been a leading Audio Video Systems Integrator in the Philadelphia area since 1996. We are proud to assist our customers in the design, installation, training and support of custom digital media AV solutions. We are CTS certified and have trained representatives for hundreds of AV manufacturers. AVT strives to add the right technical mix of products and price points to ensure our customers receive the best overall value for their investment.
